

PROJECT PROFILE

Client: Borde Hill Garden Charity

Location: West Sussex

Sectors: Education, Sports and Leisure

Services: Transport Planning

Project overview: Improved access and connectivity enhance visitor experience of historic parkland. Transport planning advice supported proposals for new pedestrian entrances, active travel routes and parking improvements.

Added value:

- Increasing access to outdoor spaces for diverse groups
- Improving natural biodiversity and protecting against climate change

Borde Hill, Haywards Heath

Unlocking 110 acres of heritage-listed parkland, enhancing biodiversity and making green spaces more accessible to a wider demographic are at the heart of 'Reinventing Borde Hill'. The £3.6 million project, supported by The National Lottery Heritage Fund, has received approved from Mid Sussex District Council.

The proposals will deliver new visitor attractions comprising an eco-lodge, dinosaur wood, café and community hub. Transport planning advice from Motion helped to improve access and connectivity to the South Park site.

Proposals included a new pedestrian entrance, off-site foot and cycle way upgrades and car parking to support the Growers Community Garden and Propagation Project at Sugworth Farm.
